NEED HELP?

Are you a researcher interested in carrying out your research in Europe? At this page you will find hosting offers (Expressions of Interest) from research institutions interested in supporting your application to the MSCA Individual Fellowships Calls, as well as offers from institutions which dispose of research infrastructures (facilities, resources, services or any other infrastructure of a unique nature essential to achieve excellence in research and innovation) and wish/are able to make them available to researchers, in an effort of supporting the research communities to conduct research and foster innovation in their field.

MEET MY LAB!

EURAXESS ASEAN – Join Our **Community**

- *Matchmaking session (Meet My Lab)*
- *Info sessions on European Funding Opportunities*
- *Research Career Development Training*
- *Proposal writing workshops*
- *Alumni & networking events*
- *Inter-regional Scientific exchanges*

The Horizon Europe programme

MSCA budget under Horizon Europe: **6.6€ billion**

Pillar I

EXCELLENT SCIENCE:

reinforcing and extending the **excellence of the Union's science base**

European Research Council

Frontier research by the best researchers and their teams

€16 billion

Marie Skłodowska-Curie Actions

Equipping researchers with new knowledge and skills through mobility and training

€6.6 billion

Research Infrastructures

Integrated and inter-connected world-class research infrastructures

€2.4 billion

MSCA Actions (2021-2027)

Doctoral Networks

Doctoral programmes in and outside academia incl. joint &

Postdoctoral Fellowships

Support to excellent postdoctoral researchers

Staff Exchanges
Support for research and innovation staff exchanges

COFUND

Co-funding doctoral and postdoctoral programmes

MSCA and Citizens

Public outreach events (Night)

Pillar II - Clusters

GLOBAL CHALLENGES & EUROPEAN INDUSTRIAL COMPETITIVENESS:

boosting **key technologies** and solutions underpinning **EU policies & Sustainable Development Goals** (6 clusters and JRC – non-nuclear direct actions)

€53.5 billion

Horizon Europe – Cluster 1 - Health

European Health and Digital Executive Agency (HaDEA)

- €894 million EU funding available for health research

- HaDEA implements actions under Cluster 1 'Health'. The Cluster contributes to six expected impacts, known as destinations, set out in the programme's strategic plan:
- Staying healthy in a rapidly changing society;
- Living and working in a health-promoting environment;
- Tackling diseases & reducing disease burden;
- Ensuring access to innovative, sustainable & high-quality healthcare;
- Unlocking the full potential of new tools, technologies and digital solutions for a healthy society;
- Maintaining an innovative, sustainable & globally competitive health industry.
