\*\*\*Workshop organised as a “World Coffee”: The participants will be divided in 3 groups that will each attend 3 workshops. While the 1<sup>st</sup> group is attending the 1<sup>st</sup> workshop, the 2<sup>nd</sup> group is attending the 2<sup>nd</sup> workshop and the 3<sup>rd</sup> group is attending the 3<sup>rd</sup> workshop. Once time is up, the groups will be touring on the 2 other workshops.

\*\*\*\* A transport vehicle will come pick you up at your hotel and will bring to the old quarter of Ha Noi, where guides will take you to the best street food places of Ha Noi.

You'll enjoy a gastronomic masterpiece as you enjoy a private tour of Hanoi's best street food offerings in the Old Quarter of the city. Your guide will meet you at your hotel before you head out to try some of the local fares.

The hustle and bustle of the old quarter is a sight to behold as the vast array of goods and produce on sale come into view. You'll set off with your guide around the maze of alleyways and streets. On our journey we will stop by a Pho shop where you'll savour this world-renowned noodle soup, we will go on the hunt for some BBQ pork in the form of Bun Cha and wolf down some deep-fried spring rolls by the curbside. Whilst sampling these local food hotspots we will also try the famous egg coffee shop and learn about the history of this famous dish or grab a sugar cane juice with Kumquat as we go. Our final stop of the night will be a local Bia Hoi where you can sit back relax and soak up the atmosphere.

Note: one of the groups will be vegetarian, please send me an email if you want to be part of it.

\*\*\*\*\* A transport vehicle will come pick you up at your hotel and will bring to a restaurant with a view on Hoan Kiem Lake, in the old quarter of Ha Noi. There you can taste traditional Vietnamese cuisine and taste a lot of specialities of Ha Noi and other regions of Vietnam.
